

NATIONAL INSTITUTE OF TECHNICAL TEACHERS' TRAINING AND RESEARCH, KOLKATA

(Ministry of Education, Government of India)

Building Competencies... Strengthening Technical Education...

सत्यमेव जयते

Ministry of Education
Government of India

Short Term Training Programme

Prog. Code: **SPL(IHP-AEC)**

Course Title:

RESEARCH METHODOLOGY

**Build Research Skills for Better Ideas,
Stronger Evidence and Greater Impact**

DURATION
07/09/2026 to
11/09/2026

COURSE FEES
Rs. 500/-

REMOTE CENTRE
Chemical Engineering Department
Assam Engineering College

ABOUT THE COURSE

This programme is designed to develop a strong foundation in research methodology, enabling participants to plan, conduct and communicate high-quality research. The course is useful for faculty members, research scholars, PG students and professionals across disciplines.

WHO CAN ATTEND?

Faculty
Members

Research
Scholars

PG
Students

Professionals
& Others

WHY JOIN?

Strengthen
research skills

Enhance
academic output

Gain practical
hands-on experience

Useful for
thesis &
publications

KEY TOPICS (INDICATIVE)

Introduction to Research & Research Process

Formulation of Research Problem & Objectives

Research Design & Sampling Methods

Data Collection & Data Analysis

Academic Writing, Referencing & Plagiarism

Publication Ethics & Research Tools

Hands-on Practice & Case Studies
