A Greener Tomorrow

WORKSHOP ON Standardization and Sustainability in Process Industries: A Holistic Paradigm

COURSE OBJECTIVE

Bridge the gap between regulatory frameworks and industrial execution, promoting sustainable manufacturing practices that reduce environmental impact while maintaining high standards of operational safety and product quality.

DATE

05 – 09
October, 2026

VENUE

Seminar Hall, Chemical
Engineering Department,
Assam Engineering College

WHO CAN JOIN?

- Faculties
- Industry professionals
- Research Scholars
- Students (UG and PG)

COORDINATORS

Dr. Kakali Priyam Goswami
Ms. Mousumee Das
